*A TASTE OF TRADITION,
SERVED WITH LOVE
SINCE 1981...
WHERE EVERY BITE
TELLS A FAMILY STORY.*

Our journey began in 1981, when our beloved grandmother, alongside our father and his siblings, laid the foundation of this hotel with her authentic recipes, lovingly prepared on a traditional hearth. Every dish carried the warmth of home, the richness of heritage, and the unmistakable touch of her hands. Today, as the third generation, we proudly continue her legacy-preserving the same time-honored methods, flavors, and passion that defined her cooking. Each meal we serve is a tribute to her style, her spirit, and her story.

With every bite, you don't just taste food-you experience generations on your plate.

Our story began 45 years ago in a humble kitchen. It was there that our grandmother, alongside our father, first shared her love for cooking—preparing every meal over a traditional wood-fired hearth. Today, the third generation of our family proudly carries this legacy forward at Bharath. While our menu has grown to include both authentic Kerala classics and Pan-Indian favorites, our heart remains the same. We still use the time-honored methods and secret recipes passed down through the years.

At Bharath, you aren't just a customer; you are a guest at our family table.

Come experience the taste of tradition, served with love.
